Dear
Members of 3DAAA.

OPEN LETTER FROM NEW TOURNAMENT DIRECTOR

As the new Tournament Director for 3DAAA I would like to introduce myself to all 3DAAA members.

I would like to acknowledge the work and commitment of the outgoing Tournament Director Grant ELSLEY and wish him well for the future.

What I bring to this committee is in excess of thirty years in competing and assisting in the running of archery tournaments such as Lake Glenbawn, Wingen, Moonan Flat, sanctioned shoots and Nationals at Murrurundi.

There are going to be some rule and shooting class changes introduced for 2020. These include but not limited to:

- Introduction of Known Distance and Advanced Hunter Class.
- Minor changes to state series and shooter of the year.
- Some equipment rule changes.

Not everyone will agree with these changes. We are a committee that is committed to making 3D archery better. Like everything, these changes will be assessed at the end of the year. These changes are a direct result of listening to our members.

I am excited about some changes with the Calendar especially the state of origin going to a two leg series, and two new venues for 3DAAA. The "National Known Distance" titles is also a new and exciting concept.

Will we get it all right? Probably not. But be assured as part of your committee it is the interest in the sport of archery that drives me, nothing personal.

Look forward to seeing you on the range.

Regards
