AGM 2019 - 2020 Victorian Liaison Officer

Cordell McGuire

3DAAA Liaisons Report June 2019 - May 2020

My thanks goes to the clubs here as they support me and make my job easier.

Mornington Peninsula Bowmen & Twin City Archers

Well with the Range Setters course done – Mornington Peninsula Bowmen were first cab off the rank to test out their newly acquired skills.

To this effect they did not disappoint, challenging shots, close to medium ranges but incorporating the longer shots on terrain that made you check your skills.

Unfortunately for Victoria, this would be the only event to be run in 2020, thanks to the Pandemic and the lockdowns that were ahead.

None the less the clubs, still worked on improving their grounds and facilities in this time out and have made some improvements for our members in 2021.

We have 6 vents up for 2021 and look forward to getting back into the swing of things in the year ahead.

Regards

Cordell McGuire
